

## DISCLAIMER

The following pages contain a blueprint for teaching others how to share the vision and mission of Spiritual Multiplication. It isn't a script to be read or something to be shown to the person you are inviting.

- This is primarily for teaching others to share Spiritual Multiplication in a consistent, repeatable, and transferable way.
- You shouldn't invite someone into something you yourself haven't done, aren't willing to do, or aren't passionate about. If this isn't the case, do not share. If it is the case, present this with your experiences and passion.
- In each section, we share principles for communicating this information to others. More than anything, follow the principles and make this invitation your own by personalizing it and praying through it.
- Continue to share this blueprint with your disciple, until they have demonstrated the ability to communicate it. This document is information: Make sure your disciple's mind is formed by this information and that they are transformed by this way of living.

This blueprint forms disciples to share the vision of Spiritual Multiplication by breaking it down into message, mission, model, and method. Once a disciple's heart is convicted of Spiritual Multiplication, they should be able to share these principles through personal testimony, in any order, and at any time, adjusting to meet the needs of their disciple. This vision of Spiritual Multiplication should be shared when you ask someone into discipleship, throughout your time discipling them, and in preparation for them to ask another into discipleship. We need to commit this to memory and be able to communicate it with ease and boldness, just like the gospel presentation, our testimony, the "Main Thing," etc. We need to be able to communicate this vision in such a way that our disciples can easily teach their disciples how to teach others.

## Share the Message

Spiritual Multiplication should be shared in the context of the gospel, God's never ending love and pursuit of man. Using Scripture, a discipler should share the message and how it has personally changed them. A disciple should come to a deeper realization that the gospel message is personal and effective in their own life.

### Principles:

- Using a Scripture verse that is speaking to you, share how the gospel of Jesus' life, death, and resurrection has affected you and changed the way you live your life.
- Talk about how you are sinful and broken, but how Jesus has transformed you.
- Point to the fact that everyone is offered this life-saving love and mercy of Jesus.

### Through conversations and questions disciplers should lead disciples to:

- A realization and recognition of their need for God's mercy and the abundant life He is calling them to live.
- Connect their personal prayer to the message of the gospel.
- Contemplate how Jesus' life, death, and resurrection has changed and affected their life.

## Share the Mission

It's important that all disciples are convicted of Jesus' mission and that they see they have a very important role to play in that mission.

Matthew 28:19-20 – "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And lo, I am with you to the end of the age."

### Principles:

- Share the Great Commission.
- Show that all baptized Christians are called to participate in the mission of the Church.
- Entrust the mission to each disciple you share it with.

### Through conversations and questions, disciplers should lead disciples to:

- A realization that every response has eternal consequences.
- An understanding of the cost of discipleship.
- A willingness to give up their life so future generations can know the love and mercy of Jesus.

## Share the Model: Vision of Spiritual Multiplication

Every disciple should be convicted of and able to share the model of Spiritual Multiplication, which is able to reach the world for Christ.

### Principles:

- Spiritual Multiplication is Jesus' model – the method modeled by the Master – and has the ability to reach the world for Christ in one generation.
- Jesus invested in a few men in order to teach them to teach others to do the same. This allows for every person to be known, loved, and cared for.
- Every disciple has the time and ability to live out this model. Super-evangelist comparison: By year 25, Spiritual Multiplication surpasses the Super-evangelist, and by year 33, Spiritual Multiplication reaches 8 billion disciples. Not everyone has the gift to be a Super-evangelist.

- Draw Spiritual Multiplication out. Visualization is key! 1-3-9, 1-2-4, etc. It is possible to have more, but every person needs to reach at least 2 people in order to be fruitful.

Year	Super-evangelization	Spiritual Multiplier
1	1,000,000	3
5	5,000,000	243
10	10,000,000	59,049
15	15,000,000	14,348,907
20	20,000,000	3,486,784,401
21	21,000,000	10 billion

### Through conversations and questions disciplers should lead disciples to:

- An understanding of why Spiritual Multiplication is so effective.
- An understanding of why this is the way Jesus chose to evangelize.
- Voice what needs to change in their life to be able to live out Spiritual Multiplication.

## Share the Method: How to Spiritually Multiply

Disciples must be able to communicate the method of "Win, Build, Send," by which we imitate Jesus who invested in a few and commissioned them to do the same.

### Principles:

- **Win:** Building authentic friendships that foster an encounter with Jesus Christ, drawing people into a covenantal relationship with God.
  - 1 Thessalonians 2:8 – "So, being affectionately desirous of you, we were ready to share with you not only the gospel of God but also our own selves, because you had become very dear to us."
- **Build:** Forming people with the heart, minds, and habits of joyful, disciplined followers of Jesus Christ.
  - 2 Timothy 2:2 – "And what you have heard from me in the presence of many witnesses entrust to faithful men, who will be able to teach others also."
- **Send:** Inviting people to imitate Jesus and to be spirit-filled evangelists by going on to Win, Build, and Send others.
  - Matthew 28: 19-20 – "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you and lo, I am with you always to the end of the age."
- After sharing the initial "how," remind them of the ways you have been winning, building, and sending them.
- Make it clear that discipleship means walking with each other, each step of the way, being dependent on the Holy Spirit for fruitfulness.

### Conversation and questions should lead to:

- The realization of what it would take for them to live the mission of Spiritual Multiplication for the rest of their life.
- An understanding of how their life would change if they accepted this mission and vision of Spiritual Multiplication.
